

Table 2. Times co-publications and CEVG reviews had been cited, as of 20 March 2013, from Web of Science and Scopus databases*

Co-publication (N=18**)	Times cited, Web of Science	Times cited, Scopus	CEVG review (N=17)	Times cited, Web of Science	Times cited, Scopus
Barsam 2012	0	0	Barsam 2010	6	3
Buehl 2008***	15	15	Findl 2007	33	38
Calderon 2011	9	8	Calderon 2011	4	1
Evans 2008	32	33	Evans 2006	41	6
Fedorowicz 2006	6	4	Evans 2008	28	34
Gnanaraj 2005	3	8	Fedorowicz 2005	1	0
Leyland 2003	105	112	Richardson 2003	3	10
Lueck 2002	0	7	Leyland 2001	23	13
Mabey 2003	N/A	5	Lueck 2002	0	9
Sheikh 2001	43	46	Mabey 2002	3	9
Sheikh 2005	23	27	Sheikh 2000	26	19
Shortt 2006	39	44	Shortt 2006	0	0
Sivaprasad 2005	22	27	Sivaprasad 2005	1	5
Smeeth 1998	28	32	Smeeth 1998	4	3
Stanford 2003	35	41	Gilbert 2002	N/A	0
Wilhelmus 2000	N/A	24	Wilhelmus 2001	3	3
Wilkinson 1999	N/A	5	Wilkinson 2001	0	2
Wilkinson 2000	39	41			
Mean (SE)****	28.0 (8.3)	29.9 (7.4)	Mean (SE)	13.1 (5.6)	9.7 (3.2)
Paired t-test for times cited, Web of Science: P=0.05					
Paired t-test for times cited, Scopus: P<0.01					

*For CEVG reviews, the times cited was the sum of times cited for all versions of each CEVG review topic

**We excluded four co-publications in journals not indexed

***This co-publication included a subset of the interventions described in the CEVG review

****For calculation of mean (SE) and paired t-test, times cited for any two reviews on the same topic were added up into one number
